

Paradise Township Parks and Recreation Committee
Meeting Minutes
May 26th, 2009

Meeting called to order at 7:14pm

Members present: Thorsen, Trudell, Douglass, Largent, Hastings

Members not present: Westbrooke

1.) Committee appointed the following positions:

Chair- Trudell

Co-Chair- Douglass

Secretary- Westbrook

2.) Trudell updated everyone on the master plan. Largent suggested that the township join forces with the Village of Kingsley to produce one master plan. Trudell will take to the township board for consideration.

3.) Committee re-scheduled on site meeting at Mayfield Pond Park for June 30th, 2009 weather permitting at 7:00pm.

4.) Trudell informed everyone that the Mayfield Pond Park clean-up was a great success with the help of everyone from the community.

5.) Largent and Douglass presented and explained the draft for the Kingsley-Mayfield trail connector. Largent also spoke about the snowmobile trail changes that may be coming to the Voice/Garfield Rd. area.

6.) Update on Mayfield Pond Park tree planting and rock work. Largent informed committee that the engineering for the project did not go through quick enough so the tree planting will take place this fall. Trudell asked Largent to look into the possibility of erosion on the south side of pond, he will respond soon.

Public Comment: Edna Sargent- Asked the committee to look into spacing the new trees at 35' instead of 25' to accommodate fishing. Edna also brought a picture of Mayfield Pond Park, and a lot of historical documents to share. She would like for the township to hang the picture up in the hall.

Committee members asked if she would donate the historical documents to the library, she will be looking into this soon.

Meeting adjourned at 8:16pm
