

Paradise Township Parks and Recreation meeting minutes for October 27th, 2009

Meeting called to order at 7:06pm

Present: Trudell, Larget, Merz, Andersen-Hastings, Douglas

Absent: Thorsen

Public input: None

1. Master Plan update: Marv has been working hard with the Village to incorporate the two master plans. Deadline for Master Plan draft will be December 4th, 2009.
2. Mayfield Pond Parks vandalism repairs: Trudell will contact Kingsley High School to see if their woodworking class can make all new signs for the park. Douglas will compile a list of needed signs soon. If the High School can't make the signs Trudell will contact Largent at the Grand Traverse Conservation District in hopes the prison crew can make them. Plaque will be repaired and placed in the big bulletin board. Committee would like to see a copy of the Ariel photo placed in the board also. Douglas questioned if the flag will be taken down before winter.
3. Mayfield Pond Park buffer strip: Largent reported that it is complete and signs will be placed to explain what was done and who completed the work.
4. Douglas found some old blue prints that Edna Sargent had given to him years ago. The prints will be offered to the District Library for their history room.

General committee discussion: Cancel November meeting and move December meeting to December 15th, 2009 at Paradise Township Hall

Adjourn: 7:45pm
